## **Reading Group and "Little Book Bags"**

We will be starting reading groups on Tuesday, September 2nd. Students will bring home a bright colored bag with the books he/she read during reading group each day. Please ask your child to see the books inside the bag and have them practice reading with you at home. Help your child by reminding him/her to point and touch each word on the page and look at the pictures as a clue to remember the words.

Students will get new books everyday they have reading group. As your child brings home more books he/she can practice any and all books in the bag. The "Little Book Bags" need to be returned to school each day so we can begin our reading group by re-reading familiar books. All books your child brings home are property of TuES and need to be returned. Sometimes your child may bring home photocopied black and white books. These books need to be returned to school also.

Your child's teacher will periodically clean out the bags to inventory books and return them to our bookroom. Please make sure your child is able to receive new books by bringing the bag to school each day and keeping track of the books coming home.

Read, read, read,  
and then read some more!
